Tomas Trevino, P.E. District Engineer Texas Department of Transportation El Paso District 13301 Gateway Blvd. West El Paso, Texas 79928

Re: Request for safety improvements for pedestrians on Socorro Road (FM 258)

Dear Mr. Trevino,

This letter serves as a request to the Texas Department of Transportation El Paso District Office to prioritize safety improvements on Socorro Road (FM 258), an "on-system" TxDOT facility, via the Highway Safety Improvement Program (HSIP), in order to ensure the safety of pedestrians visiting our Historic Mission Trail.

As you know, many important historical, cultural, and community resources are located on FM 258. Socorro Road is the home of the Socorro Mission, the second oldest mission in Texas established in 1682, located only six miles away from the San Elizario Presidio Chapel and San Elizario Historic District. Together with the Ysleta Mission in the City of El Paso, this historical corridor is known as the Mission Trail and is part of the 1598 Camino Real de Tierra Adentro that represents some of the earliest colonial history of the United States. Socorro Road is also the home of the historic Casa Ortiz, Casa Apodaca, and Growing with Sara Farms, recognized by the Family Land Heritage Program for more than 100 years of continuous agricultural operation. The portion of Socorro Road that lies within the city limits of the City of Socorro, has been designated as the Socorro Mission Trail Historic District via local Ordinance No. 2012-18.

In recent years, the Mission Trail historic corridor has seen a revitalization in small business endeavors and an increase in visitors to new art galleries, events venues, restaurants, and brewery located on FM 258. These new small businesses have added to the economic vitality of Socorro and have reactivated our historic corridor for modern use and benefits to the public. However, current conditions on Socorro Road (FM 258) do not prioritize the safety of visitors walking or biking to businesses and historic sites on FM 258.

It is for these reasons, that the City Council of the City of Socorro, formally requests the prioritization of safety improvements on Socorro Road (FM 258) to ensure the safety of pedestrians visiting our historic sites and small businesses, through the HSIP program, or any other means available to the TxDOT-El Paso District. The City of Socorro is excited to support any projects that enhance the safety of visitors to our important cultural and historic assets. Should you have any questions, please feel free to reach out to me at 915-858-2915.

Attentively,

SUBJECT:

Discussion and action to approve the proposed updates to the spending framework for City of Socorro's allocation under the Coronavirus Local Fiscal Recovery Fund (CLFRF) approved in the American Rescue Plan Act (ARPA).

SUMMARY

The City of Socorro will approve updates to the spending framework for the City of Socorro's allocation under the Coronavirus Local Fiscal Recovery Fund (CLFRF) approved in the 2021 ARPA. The spending framework includes COVID-19-related expenses, assistance to small businesses, households, and non-profits, aid to impacted industries, and public infrastructure.

STATEMENT OF THE ISSUE

City Council approved a spending framework for the City of Socorro's allocation of CLFRF ARPA funds on October 28, 2021 based on the eligible costs and guidance provided by the U.S. Treasury.

<u>City Council approval is requested to update the following ARPA Project Detailed Budget:</u>

- ARPA Project GSP06 There is no increase or decrease in the budget total for this project. Updates to the detailed budget are requested to allocate funding to specific Budget Line items based on actual costs and updated quotes for services to implement a Small Business/ Microbusiness Support Center.
- Please see the detailed budget and budget narrative included in the backup.

The American Rescue Plan Act of 2021 is a US \$1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed into law by President Joe Biden on March 11, 2021. The Coronavirus State and Local Fiscal Recovery Funds

(CSLFR) approved under ARPA provides a substantial infusion of resources to help turn the tide on the pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery.

The funding objectives of the Coronavirus State and Local Fiscal Recovery Funds (CSLFR) are to:

- Support urgent COVID-19 response efforts to continue to decrease spread of the virus and bring the pandemic under control
- Replace lost revenue for eligible state, local, territorial, and Tribal governments to strengthen support for vital public services and help retain jobs
- Support immediate economic stabilization for households and businesses
- Address systemic public health and economic challenges that have contributed to the unequal impact of the pandemic

As a non-entitlement unit of local government (NEU), the City of Socorro has received a direct allocation of funding to be administered in two tranches (each tranche representing half of the NEU's allocation) by the Texas Division of Emergency Management (TDEM).

The City's total ARPA allocation is **\$8,533,234.18**.

El Paso JAMAS, Ltd. PO Box 12122 El Paso, TX 79913-2122

November 8, 2022

Ms. Adriana Rodarte City Manager City of Socorro 124 S. Horizon Socorro TX 79927

RE: Settlement Agreement - City of Socorro and El Paso Jamas, Ltd.: Traffic Signal

Dear Ms. Rodarte:

El Paso Jamas, Ltd., ("Jamas") is desires to work with the City of Socorro ("the City") on the construction of a Traffic Control Signal ("Signal") at the intersection of Hueco Junction and Nuevo Hueco Tanks Blvd. This Signal was contemplated within the Settlement Agreement between Jamas and the City dated December 15, 2015. The occasion of this agreement was the donation of the Right of Way for the future construction of Nuevo Hueco Tanks.

Mr. Carlos Gallinar, City Planner, and I have communicated regarding this document and the provision for the Signal. He has requested any document with would evidence the extension of the Settlement Agreement as detailed under Section 4bi. While I believe there were conversations related to this intersection, to my knowledge there was no written notice. Without any such written notice, the City may take the position that the document has expired.

Regardless, the development of the Sororro Logistics Center, Hucco Junction Unit 1 and the Valle Nuevo Commercial Center No. 1, the traffic pattern will obviously require evaluation of the preferred flow paths and traffic safety. As I have stated with Mr. Gallinar, Jamas is in negotiations with several fast-food companies for location at this intersection. They are making a demand for a Signal at the Hucco Junction and Nuevo Hucco Tanks Blvd. Hence, my contention is that the Signal is an Economic Development issue to support the City's future development.

Therefore, Jamas wishes the City to formally accept this letter as its request for a Signal. Given its previous donation of the Right of Way, Jamas wishes the City to participate in the cost of the Signal. I stand ready to meet with you and your team on this request.

If you have a question, you may contact me at 915-288-7589 (cell).

Sincerely
