Attention: Job Terrazas

Reference: Eastlake Valley Subdivision Response

Dear Mr. Terrazas:

We are in receipt of the comments, dated October 27, 2017, provided for the referenced subdivision from the City of Socorro's engineer. We offer the following response to the comments:

Comment No. 1: 6' High Rockwalls required adjacent to the irrigation laterals and ditches, should be provided by the Developer.

CEA Response to Comment No. 1: We concur with the 6-foot high rockwalls being placed adjacent to irrigation laterals and ditches. We will reflect the 6-foot high rockwalls during the subdivision improvement plan submittal.

Comment No. 2: Identify the 5' wide sliver along the Southern boundary of the proposed Subdivision.

CEA Response to Comment No. 2: The 5-foot sliver is being reserved for the potential future lots in the abutting subdivision. In addition, the 5-foot sliver will allow the builder to construct the rockwalls along that portion of the development.

Comment No. 3: Provide typical section for Judge Coldwell Street and the Drainage on the future abutting Subdivision(s).

CEA Response to Comment No. 3: We will include the typical street section for Judge Coldwell during the subdivision improvement plan submittal. Only a portion of Judge Coldwell is located within the subdivision boundaries for the referenced subdivision. Drainage for the future subdivision is not being considered since the adjacent or future subdivision will be an independent development project and is not under the common ownership of Eastlake Valley.

Comment No. 4: A portion of the Northern corner of the Proposed Subdivision appears to be with Flood Zone "A". Please plot the FEMA Flood Zone for that vicinity.

CEA Response to Comment No. 4: The FIRM Panel 480212-0236B has been reviewed and the preliminary plat has been updated to reflect the SFHA. Based on the FIRM panel, the SFHA is slightly outside of the subdivision boundaries for the Eastlake Valley. The SFHA limit is approximately 120-feet south of the Mesa Spur Drain.

Comment No. 5: Provide a Typical Street Section for Judge Coldwell St.

Comment No. 7: Need Percolation in Soils Report performed during the winter season for the location of the Proposed Ponding Areas to confirm that the proposed Ponding Areas will drain/percolate within 24 Hrs.

CEA Response to Comment No. 7: A soils study has been performed and the percolation tests will be conducted after the completion of the irrigation season. The percolation test results will be submitted as part of the overall geotechnical engineering analysis.

Comment No. 8: Provide a copy of the Master Plan and Master Drainage Report for review. Would like to see the typical section for Judge Coldwell Street and the Drainage on the future abutting Subdivision(s).

CEA Response to Comment No. 8: The future abutting subdivision is a plan that was performed by a third party engineer but is not part of the referenced subdivision nor under the common ownership of Eastlake Valley Subdivision. The adjacent plan was generated to show potential future connectivity and planning purposes.

BACKGROUND

The City of Socorro created Ordinance 30 in November 1987 to establish the criteria and procedures for new construction and repairs of existing structures based on the Uniform Building Codes. The intention is to provide the minimum acceptable standards for building construction to safeguard the public health, safety, and general welfare through structural strength, means of egress facilities, stability, sanitation and other building performance considerations attributed to the built environment.

STATEMENT OF THE ISSUE

By adopting the new codes, the City will create a model code to encourage consistency in the application of the construction regulations that safeguard the public health and safety in all communities, large or small. The construction industry is constantly evolving and new construction methods are being created based on established standards and procedures. The City is currently enforcing an outdated 2009 version of these standards and procedures.

STAFF RECOMMENDATION

The Planning and Zoning Commission recommends APPROVAL to establish the up-to-date building code regulations.

SUMMARY

Second Reading and Adoption of Ordinance 430; an Ordinance to establish a safety zone on Alameda Ave. to prohibit parking on the public right-of-way including but not limited to the shoulders, sidewalks, pavement or other public driveways.

BACKGROUND

The City of Socorro is working with the Texas Department of Transportation (TXDOT) to establish a safety zone on a portion of Alameda Ave. that is dangerous for pedestrians who park in a restricted zone. Currently, a large community congregates near the proposed safety zone. The owners of the nearby businesses have failed to provide sufficient off-street parking within their properties and the public right-of-way is currently being utilized for parking for their businesses creating a hazard for pedestrians.

STATEMENT OF THE ISSUE

The City of Socorro does not have the authority to install regulatory signs on Highway 20, Alameda Ave, and an Ordinance is required in order for TXDOT to install the signs. The proposed regulatory signs are needed in order to provide safety for the public along this portion of Alameda Ave.

STAFF RECOMMENDATION

The Planning and Zoning Commission recommends APPROVAL to create a safety zone and imposes the following conditions:

1. "NO PARKING" signs shall be installed on both sides of Alameda Ave. every 100 feet.
2. The City of Socorro Police Department and the El Paso County Sheriff's Department shall provide enforcement.

SUBJECT: Discussion and action to appoint Jorge Estrada to The Ethics Review Commission.

SUMMARY Jorge Estrada has completed an application and is excited and eager to serve in the ethics review commission. It will be an honor to have him appointed to The Ethics Review Commission.

BACKGROUND

I have been a member of the Socorro Community all of my life. I am familiar with the needs of the community and the people that populate it. I am prepared to return the support the community of Socorro has provided me.

What are your qualifications/skills or education that you will bring to this board or commission?

I have served El Paso County for over 25 years. I have worked in the medical field as an Emergency Medical Technician and in the law enforcement field as a Deputy Sheriff, Criminal investigator and Court Bailiff. Not only do I continue to assist federal, state and local law enforcement agencies, but the general public and private sectors as well. I have also owned and managed my own private investigations company. My experience in law enforcement and investigative fields have enabled me to be objective and impartial when considering the public's interests in addressing difficult situations, safety, moral issues and/or concerns. Throughout my extensive career, I have gained knowledge in negotiation and mediation; therefore, I am able to resolve issues judiciously. I possess excellent communication and leadership skills, which I believe would be a great asset to the board/commission.
