I am here on behalf of Ms. Norma Oague. She couldn't attend due to a prior engagement.

Thank you for the opportunity you have given me to speak. I have been working for the city for 8 years. Within those 8 years, I only received one raise and that was 7 years ago. I have looked forward to the COLA increases until they stopped. The cost of living keeps increasing.

I have tried my best to make the reception area in Administration as welcoming as possible for our constituents and employees. Being detailed oriented, I have implemented this at my work. I love my job and what I represent to the City. I feel I have made a difference in our City.

We have all been working hard improving the City of Saco.

My coworkers and I are hopeful that you will consider the 2% cost of living and the merit increase.
