## Vendor Set Up & Marketplace Information:

Event will take place at 316 Buford Rd. Socorro, TX 79927 Gates for vendors will open at 6 AM. Vendors are responsible for their set up and dismantle. Event will start at 7 AM; vendors need to be set up by 6:30AM. The City reserves the right to assign spaces at their discretion. Vendors selling similar items will be considered on a first come first serve basis. To offer unique, artisan cuisine, vendors who are different will receive priority at obtaining permits. Vendors are responsible for their own booths, chairs, tables and weather covers. Vendors are responsible for securing canopies against hazards such as wind and with concern for the safety of the public and other event vendors. (WEIGHTS ARE REQUIRED) Vendors must bring their own bank to make change. Violators of the City's Ordinances or displaying unruly behavior will be asked to leave. All permit sales are final, with no refunds or exchanges.

No Campaigning of any kind will be allowed at City of Socorro sponsored events/functions/activities or inside City Buildings or on City Property.

## Farmers Market Vendor Responsibilities

- 1. Home-Prepared Food:** Do not serve food prepared at home to the public. All home-based food businesses must fully comply with the Cottage Food Law. Failure to meet all aspects of the Cottage Food Law may result in legal action.
- 2. Permit:** Post a physical copy of your Farmers Market permit at your booth where customers and inspectors can see it. All farmer's market booths must display their permits at all times to avoid legal action.
- 3. Jurisdiction:** Multiple permits are required to operate in more than one jurisdiction. Each jurisdiction requires a separate permit. Jurisdictions serviced by this Department are the City of Socorro & if legally required, the El Paso Health Department.
- 4. Transferrable/Refundable:** Permits are not transferrable; there are no refunds.
- 5. Permit Class Types:** The following chart describes the Farmers Market permit types. All food types and food-handling operations must meet the corresponding class of permit requirements.
