Nevarez Rd., Socorro, TX from R-1 (Single-Family Residential) to A-1 (Agricultural) and a conditional use permit to allow for a small-scale water desalination project.

9. Planning and Zoning Commissioners Report.

- Commissioner Enrique Cisneros asked Staff to speak with City leadership and the Socorro Independent School District to see if in the future, there could be a way to stagger the release times for Socorro Highschool, the IDEA School, and all three schools on Moon Rd., to help reduce the heavy traffic during pick -up times.
- Commissioner Yolanda Rodriguez inquired about the status of the school zone that begins at Lark and N. Loop Dr and extends past Rio Vista Rd., noting that it is too long and causes congestion. Ms. Quimiro responded that there is still no update on the matter. Commissioner Ms. Rodriguez then asked whether there is a legal way to address the issue with SISD.
- Mr. Bhatti noted that IDEA School is a charter school, but it holds public meetings and hearings. He also pointed out that, as a public entity, the school district conducts its own meetings, where such concerns could be voiced. He emphasized that coordination between schools is important and that if parents express safety and traffic concerns during these meetings, it is likely to gain more attention.
- Commissioner David Estrada asked staff about the A1 zoning committee and whether another meeting would be scheduled. Ms. Quimiro confirmed this, explaining that it was one of the main reasons we were not ready to present today, and that a new meeting would be held before the next agenda. When Commissioner Estrada asked for a specific date, Ms. Quimiro said she would send an email to determine everyone's availability.
- Commissioner Yolanda Rodriguez asked if the A1 item was going to be moved and questioned why Item 11 would be included in the same meeting when deciding on approval. She suggested moving it to a separate meeting. Ms. Quimiro responded that she considered the project important and suitable for presentation alongside A1, possibly with updates from the applicant. She noted she had additional information to share with the committee, including details about grant funding for another project to highlight the innovative and forward-thinking nature of this proposal, as well as water-related information previously requested by the committee. Ms. Quimiro added that staff would make a greater effort to attend the next meeting and stated that she did not believe the items needed to be separated.

10. Planning and Zoning Department Report.

Ms. Quimiro provided updates on current projects. Regarding the Nova Hueco Tanks project, she reported that they are still awaiting environmental clearance. The City has submitted all required documentation and is waiting for authorization to proceed to the next step. She also reported attending the TXDOT Transportation Division 2025 Project Delivery Conference in Waco on January 29–30. The conference shared information on upcoming advances, innovations, and changes within TXDOT, including new technologies aimed at improving project delivery efficiency. Finally, Ms. Quimiro announced the appointment of Judith Rodriguez as the new Planner for the Planning and Zoning Department.

14. Adjournment

A motion was made by Julie Dominguez and seconded by Andrew Arroyos, *to adjourn at 7:01 PM.*

FROM: Lorraine Quimiro, City Planner Development Director

SUBJECT:

Consider and Take Action on an ordinance amending Chapter 46 Zoning Article IV District Regulations of the Code of Ordinances of the City of Socorro, Texas to add the District Regulations for A-1 (Agricultural) Zoning District.

SUMMARY

Consider approving an ordinance amendment to reestablish District regulations for the A-1, (Agricultural) Zoning District.

BACKGROUND

An outcome of the 2040 Socorro Comprehensive plan was a desire by the community to preserve and protect agricultural areas. While the city is in the process of undertaking a comprehensive revision of our zoning ordinance there may be times when small changes are necessary.

STATEMENT OF THE ISSUE

Current City of Socorro Municipal Code of Ordinances does not contain a section for A-1, Agricultural District regulations.

BACKGROUND

SOCORRO 2040 COMPREHENSIVE PLAN GROWTH AND DEVELOPMENT (GD) GOALS AND POLICIES

Goal GD-3 New development supports the historic assets and rural, and agricultural character of Socorro.

- Policy GD-3.a** Coordinate with willing agricultural landowners for the use of preservation or conservation easements.
- Policy GD-3.b** Update the Unified Development Code to include passive and active open space requirements to preserve agricultural areas, with a focus on retaining connections between agricultural uses.
- Policy GD-3.c** Allow boutique farm and commercial uses that support agrarian uses in coordination with agricultural and open space use.
- Policy GD-3.d** Within the historic district overlay, establish architectural design standards to ensure visual compatibility with existing historic assets and promote the agricultural heritage of the community.
- Policy GD-3.e** Encourage uses in the historic district overlay that align with heritage tourism, such as restaurants, retail, and entertainment.
- Policy GD-3.f** Provide land density bonuses for subdivisions providing large continuous open space in the form of conservation easements or parkland dedication.
- Policy GD-3.g** Partner with Texas A&M University's AgriLife Research and Extension Center to protect open space in conservation easements.
- Policy GD-3.h** Expand and connect the protected rural open space network, including floodplains and stream corridors, through open space programs, land dedications, walking paths, and parks while working with land trusts for a possible voluntary conservation easement program.
- Policy GD-3.i** Promote conservation subdivisions and utilize a Transfer of Development Rights (TDR) to permanently preserve open space, protect the rural character of the community, and reduce development pressure on agricultural land.

Goal GD-4 Conservation subdivisions protect the open space and agricultural character of Socorro.

- Policy GD-4.a** Utilize Development Agreements for master-planned developments for subdivisions larger than twenty-five (25) acres or more than one hundred (100) residential units so that development is compatible with and reflects the agricultural character of Socorro.
- Policy GD-4.b** Encourage the integration of the natural landscape into new developments to preserve views and open space.
- Policy GD-4.c** Collaborate with agricultural organizations, land trusts, and conservation groups to identify priority agricultural areas and funding options, and work with willing landowners to secure development rights.
- Policy GD-4.d** Employ best practices for developing in conformance with natural site topography to avoid significant alterations of the landscape and to limit grading impacts.

Re: Public Hearing A-1 Zoning discussion

To Whom it may concern,

I have received the notice about a Public Hearing on July 1st, 2025 about the Ordinances of A-1 Zoning change language.

I need to tell you that I'm against this as I have read the notice. The zoning is ok as it is and does not need to get any more cluttered up with all the garbage that is in the notice. There is no reason to have any more government control that it already has. Agriculture land has been in good hands of individuals for a long time and overall they have made good land better than it was originally.

It's not right for our city leaders and staff members to think that they know better for the citizens of Socorro than the citizens themselves know and what's good for them. Most likely the persons that came up with this idea went to the same schools that all planners go to and drink the same water, but none of any of these people have ever actually operated an agricultural operation. They think they know better, but I can tell you they don't.

Leave the zoning as it is.

ORDINANCE _____

AN ORDINANCE AMENDING CHAPTER 46 – ZONING, ARTICLE IV – DISTRICT REGULATIONS. OF THE CODE OF ORDINANCES OF THE CITY OF SOCORRO, TEXAS TO ADD DISTRICT REGULATIONS FOR A-1 (AGRICULTURAL) ZONING DISTRICT.

WHEREAS, Ch. 211 TEXAS LOCAL GOVERNMENT CODE, the Municipal Zoning Authority specifically authorizes zoning functions and procedures for municipalities; and

WHEREAS, the City Council finds it appropriate to enact zoning provisions consistent with the City’s Comprehensive Plan — specifically the Socorro 2040 Comprehensive Master Plan — which emphasizes the preservation and protection of agricultural land and open space within the city; and

WHEREAS, the City Council has determined that establishing a formal A-1 Agricultural Zoning District, with tailored lot size, permitted uses, and development standards, is necessary to implement these objectives and to provide regulatory clarity for the A-1 district.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SOCORRO, TEXAS:

This ordinance shall take effect immediately from and after its passage and publication of the caption, as required by law.

A-1 (AGRICULTURAL) DISTRICT REGULATIONS

DIVISION 5. A-1 - AGRICULTURAL DISTRICT

Sec. 46-290. - Purpose.

This zone is designed to accommodate compatible land, building and structure uses primarily oriented to agricultural farming and ranching, and extremely low-density residential purposes to a maximum of one dwelling unit per two acres.

Sec. 46-291. - Permitted uses.

Permitted uses in this zone shall include:

- (1) Single-family detached dwelling on-site construction, one unit per lot. Only conventional building materials listed in the approved building codes will be used for structural and finish materials.
- (2) Permitted temporary housing for agricultural workers
 - a. Eligible structures include motor homes, travel trailers, recreational vehicles (RVs), or camping trailers used as seasonal or temporary worker housing directly connected with agricultural operations on the same parcel.
 - b. Occupancy is permitted only during periods of active agricultural work and must not exceed 180 days in any calendar year unless extended by conditional use permit in accordance with Section 46-292.(4)
 - c. Parcel requirements must be a minimum of 2 acres in size.
 - d. Eligible structures must be currently licensed, maintained in mobile condition and meet setback standards. Must connect to potable water, sanitary sewage (on-site septic or public), and meet state/county health department regulations.
 - e. A temporary use permit is required, authorizing occupancy for up to 180 days. Extensions beyond 180 days will require a conditional use permit.
 - f. Eligible structures must be removed within 30 days of completion of agricultural work or expiration of permit.
- (3) Accessory structures and uses including barns, barndominiums, detached garages, carports, private workshop, storage containers, home occupations and other structures that are customarily incidental to the principal structures. Building materials and style will be similar to those of the primary structure.
- (4) Storage of farming and ranching equipment, one boat, one camper, or other recreational vehicle, shall be limited to the side or rear yard separated by at least ten feet from any property line.
- (5) Manufactured homes of two sections (double wide) or more, which maintain the predominantly residential nature of the district. Manufactured homes will only be permitted in those subdivisions that were approved by the city prior to the year 2000, and will be subject to the following regulations. In addition to the other requirements under this section, all manufactured homes shall comply with the following standards:
 - a. Manufactured homes must be no older than eight years, measured from the date of manufacture to the date the permit application is filed with the city.
 - b. Maximum number of manufactured homes permitted per lot: one.
 - c. Minimum square footage of the manufactured home: 700 square feet and not less than ten feet in width.

A-1 (AGRICULTURAL) DISTRICT REGULATIONS

- d. The wheels, axles, and tongue of the mobile or manufactured home shall be removed prior to the tie down process.
 - e. Mobile or manufactured home undercarriages shall be skirted with permanent skirting. The skirt or apron shall be continually and properly maintained between the bottom of the unit and the ground, and obtain a certificate of completion from the zoning department.
 - f. Utility connections, foundation specifications, tie-down specifications, and all other installation requirements shall be done at time of placement in accordance with the Texas Department of Labor and Standards' (or successor agency) Texas Mobile Home Tie-Down Standards.
 - g. All manufactured homes shall be constructed according to the National Manufactured Housing Construction and Safety Standard Act of 1974, 42 USC 5401, et seq.
 - h. Designated driveway area constructed of reinforced concrete, and of a size to comply with [section 46-631], off-street parking regulations.
- (6) Riding stables or schools, and rental stables.
- (7) Plant nurseries, community gardens, and greenhouses, including those for commercial purposes
- (8) Horticulture (all types), and permaculture
- (9) Farmer's market, produce stand, cottage food production (subject to requirements and restrictions from the Texas Health and Human Services Department)

Sec. 46-292. - Conditional uses (requires permit).

Conditional uses in this zone shall include:

- (1) Private or commercial kennels and veterinary hospitals.
- (2) Animal cemetery, animal crematory and mausoleums.
- (3) Single wide manufactured homes may be permitted in those subdivisions that were approved by the city prior to the year 2000, and will be subject to the following regulations. In addition to the other requirements under this section, all manufactured homes shall comply with the following standards:
 - a. Manufactured homes must be no older than eight years, measured from the date of manufacture to the date the permit application is filed with the city.
 - b. Maximum number of manufactured homes permitted per lot: one.
 - c. Minimum square footage of the manufactured home: 700 square feet and not less than ten feet in width.
 - d. The wheels, axles, and tongue of the mobile or manufactured home shall be removed prior to the tie down process.
 - e. Mobile or manufactured home undercarriages shall be skirted with permanent skirting. The skirt or apron shall be continually and properly maintained between the bottom of the unit and the ground, and obtain a certificate of completion from the zoning department.
 - f. Utility connections, foundation specifications, tie-down specifications, and all other installation requirements shall be done at time of placement in accordance with the Texas Department of Labor and Standards' (or successor agency) Texas Mobile Home Tie-Down Standards.
 - g. All manufactured homes shall be constructed according to the National Manufactured Housing Construction and Safety Standard Act of 1974, 42 USC 5401, et seq.

A-1 (AGRICULTURAL) DISTRICT REGULATIONS

- h. Designated driveway area constructed of reinforced concrete, and of a size to comply with [section 46-631], off-street parking regulations.
- (4) Extension of Permitted temporary housing for agricultural workers beyond 180 but not to exceed 30 days.
- (5) Water wells, storage, or pumping facilities.
- (6) Desalination containers and associated evaporation pond(s) and subject to the following regulations:
- a. Evaporation ponds shall not be located closer than 500'-0" feet from a public water supply well.
- b. Evaporation ponds shall not be located closer than 150'-0" feet from a private water well.
- c. Evaporation ponds must be located more than 150'-0" feet from the nearest property line and more than ¼ mile from the nearest edge of any occupied residence or business structure, school, permanent structure containing a place of worship, or public park, unless:
- i. The affected landowner within the buffer zone provides written consent and approval of the location of the evaporation pond. The written consent must include the following: Name, physical address, mailing address, and phone number of the affected landowner; a description of the evaporation pond within the buffer zone for which the landowner is giving consent; an acknowledgement of consent by the affected landowner that excuses the permittee from otherwise applicable legal requirements regarding the buffer zone; and the signature of the affected landowner. In addition to the consent of the affected landowner, written consent is required from the governmental entity responsible for operating a school or public park, if the governmental entity is not the owner of the land; or
- ii. An odor control plan, certified by a licensed Texas professional engineer, is developed and implemented to control nuisance odors at the facility and reduce the quantity of air contaminants emitted from the facility. At a minimum, the plan shall address existing climatological conditions such as wind velocity and atmospheric stability, wastewater characteristics, proposed solutions to prevent nuisance conditions at the edge of the property line and beyond and identify all structural and management practices that the permittee must employ to minimize odor and control air contaminants at the facility. The plan must also address wastewater storage.

Sec. 46-293. - Area requirements.

Area requirements for this zone shall include:

- (1) Minimum lot area: two (2) acres.
- (2) Minimum yard setbacks:
 - a. Front: 35 feet;
