The survey will have two parts:

1. Mission Trail Historic District Survey within the City of Socorro city limits; and
2. Citywide Survey of the rest of Socorro outside the Mission Trail Historic District.

The purpose of this project is to support the City of Socorro in developing a comprehensive survey of the Mission Trail Historic District and an intensive evaluation of historic resources across Socorro, Texas, resulting in an update to the City's historic resources inventory, which has not been revised since 1995 despite recent urbanization and development.

The selected consultant must be able to work closely with City staff, boards and commissions, property owners, the public, and the Texas Historical Commission, as needed.

2.0 DESCRIPTION OF THE CITY OF SOCORRO

Alternatively, the COS may terminate the procurement process.
